LATE REMITTANCE FOR PURCHASES CONSTITUTES JUST CAUSE TO ABROGATE ALL RETURN PRIVILEGES FOR ANY REASON.
9. Lots that have been examined prior to the sale may not be returned for any reason other than authenticity.
10. Grading is a subjective description in the opinion of the cataloger, as to the state of preservation of a particular coin or lot. The term "Proof" or "Specimen" is used to describe a method of manufacture, and not a grade or condition. Such terms are the opinion of the cataloger and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and do vary among experts.
11. Please note: Auction sales are not approval sales. You must assume the responsibility for paying for all material that is awarded to you.
12. Bids for all lots must be submitted in even dollar amounts, or they will be reduced to the next even dollar amount. Successful bidders will be awarded the lot at a nominal advance over the second highest bid. When identical bids are received, for a lot, preference is given to the first bid received. We reserve the right to refuse any bid, that we believe has not been made in good faith.
13. We can not be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum that you are willing to pay.
14. An estimate is provided for each lot. This estimate represents, in the opinion of the cataloger, the current market value of the lot. Lots may, of course, sell for above or below this estimate.
15. All photographs in this catalog are of the actual items being sold.
16. Postage, insurance and sales tax, if required by law to be collected, will be added to the invoice for any lot(s) invoiced to successful bidders. All lots delivered in the state of California are subject to applicable sales tax. Individuals purchasing lots for resale must submit an exemption certificate, signed by the purchaser or his agent and recognized by the state of California, with their current resale certificate number or be subject to the sales tax.
17. We reserve the right to require payment in full before delivering any lot to a successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his/her possession. Risk of loss is on the buyer. All lots sent to foreign countries, including Canada and Mexico, will be billed at an additional 1/2 of 1% for insurance. The minimum insurance fee is \$5.00. Please send shipping instructions. Normally all lots will be sent via registered mail.
18. In the event a bidder fails to make remittance promptly, we reserve the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.
19. If the invoice for this sale is not paid for in full, when due, the unpaid balance will bear interest at the highest rate permitted by law until it is paid in full. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and other costs incurred by Ponterio & Associates, Inc. The courts of San Diego County, California shall have exclusive jurisdiction and venue over any suit initiated by Ponterio & Associates, Inc., to collect past due invoiced and the service of process by certified/registered mail, return receipt requested, shall be sufficient to confer "in personam" jurisdiction over bidder.
20. We reserve the right to postpone this sale for a reasonable period of time, as the result of any act of war, natural calamity or significant relevant event., which, in the judgement makes it inadvisable to hold the sale as scheduled.
21. Our ultimate liability for any item is the price paid.
22. By bidding in this sale, bidder personally guarantees payment; if a corporation is the bidder, the officers and/or principals of the corporation agree to personally guarantee payment.
23. All bid sheets submitted by mail bidders must be signed. Company bids must be submitted with the signature of a duly authorized agent of such company.
24. Bidding in this sale constitutes acceptance by the bidder of all the forementioned terms and conditions of sale.
25. Please remember that the mail is sometimes very slow. Please mail your bid sheet early to be sure we receive your bids prior to the close of the sale.
26. We offer the service of limiting the total purchases of bidders. This service is available only to the bidders who wish to limit purchases of \$500 or more. To limit purchases, simply fill in the proper areas on the mail bid sheet. Bids may then be submitted for amounts up to three times the amount of your limit total figure. You may also enter your bids in an order of your preference. We will attempt to buy for you up to your limit in the order you designate. You may also select to bid on two similar lots with instructions to buy only one of them. For instance, if lot 102 and 103 were similar and you wanted only one of them, bid on both with instruction to buy only one. We will then attempt to buy for you one of the two for the lowest price.

Normalmente todos los lotes se enviarán por correo registrado.
18. Si el comprador no hace el pago a tiempo, nos reservamos el derecho de vender la pieza de nuevo, y el comprador acepta pagar el gasto razonable de esa venta y también pagará cualquier diferencia entre el precio de reventa y la oferta previa.
19. Si no se paga la factura de la subasta en total, cuando es debido, el saldo no pagado tendrá cargos de interés al porcentaje más alto permitido por ley hasta que esté pagado en su totalidad. Si el caso se remite a un abogado para cobrar, el postor acepta pagar todos los gastos de abogado, los gastos de los tribunales y otros gastos incurridos por Ponterio & Associates, Inc. Los tribunales del condado de San Diego, California tendrán jurisdicción exclusiva sobre cualquiera de las acciones iniciadas por Ponterio & Associates, Inc. para cobrar facturas no pagadas al vencimiento. La citación del juez por correo certificado u registrado y la respuesta de la solicitud escrita, serán suficientes para conferir jurisdicción "en persona" sobre el postor.
20. Nos reservamos el derecho de posponer esta venta, por un período razonable, por el resultado de un acto de guerra, una desgracia natural o un acontecimiento importante, por lo cual, en la opinión del subastador, ejercido razonablemente, se hace inconveniente realizar la subasta como estaba prevista.
21. Nuestra responsabilidad máxima por cualquier pieza es el precio pagado por ella.
22. Al pujar en esta subasta, el postor personalmente garantiza el pago; si el postor es una corporación, los empleados y/o los directivos, de la corporación aceptan garantizar el pago personalmente.
23. Todas las hojas de ofertas sometidas por correspondencia deberán ser firmadas. Las ofertas de una compañía deberán ser sometidas y firmadas por un agente autorizado de esa compañía.
24. El solo hecho de pujar en la subasta presupone el completo acuerdo con todos los términos descritos y las condiciones de la venta.
25. El correo es a veces muy lento. Envíe su hoja de ofertas con tiempo para asegurar la recepción de sus ofertas antes del día de la subasta.
26. El postor puede fijar un límite total de su compra. Se le ofrece esa opción solamente al postor que limite el máximo de su compra a \$500 U.S. o más. Para fijar un límite, simplemente anote en el espacio correspondiente en su hoja de ofertas. Las ofertas entonces podrán ser sometidas por cantidades hasta un máximo de tres veces más la cantidad de su límite en total. Ud. también puede someter sus ofertas en un orden de preferencia. Intentaremos de comprarle hasta su límite y en el orden por cual nos designe. Ud. también puede pujar en dos lotes similares con la instrucción de comprar solamente uno de los dos lotes. Por ejemplo, si los lotes 102 y 103 son similares y Ud. solamente quiere uno de los dos, haga su oferta en los dos lotes con la instrucción para comprar solamente uno. Entonces nosotros intentaremos de conseguirle uno por el precio más bajo de los dos lotes.

INSTRUCTIONS TO NEW MAIL BIDDERS

Bidding by mail permits you to participate in an auction as though you were attending it in person. The procedure is really quite simple. You tell us what you want, and the maximum amount you are willing to pay. We then, as your personal agent, try to buy the items listed for you at the lowest possible price.

The enclosed mail bid form has two sides for you to fill in. The front side provides all the information we will need to register you as a bidder, execute your bids for you and deliver your lots to you if you are a successful bidder. Please answer all the questions that may apply to you. If you have any special mailing instructions or and/or other instructions, please note them in the "special instructions" area of your bidsheet. **DON'T FORGET TO SIGN YOUR BIDSHEET.**

LOT	BID
#33	\$200
#60	\$300
#89	\$500
#143	\$700

On the back side are pairs of columns where you may list your bids. After carefully reading the lot description, write down the lot number and the maximum amount you are willing to pay for that lot. Don't forget that a 15% buyer's fee will be added to your actual purchase price if you are the lucky bidder. Continue to list lot numbers and bids for each of the lots you are interested in buying.

When we receive your bidsheet, we will record your bids at the amount you have authorized us to bid for you, and we will, in addition, note any lots where an increase is authorized if absolutely needed to win the lot. For example, if the sample bidsheet shown at the right were yours, we would enter your bid on lot #33 as \$200. If yours was the highest bid received, you would be the purchaser at \$200. (plus 15%), and applicable taxes and shipping charges. If the second highest bid received on the lot was substantially less, your bid would be reduced to a "normal" increment above the second-highest bid, just as it would be if you were present at the sale yourself to execute your own bids. If you have authorized a percentage increase on the front side of your bidsheet and the bidding by others has exceeded your basic bid, we will then, as your personal agent, increase your bid to the minimum amount necessary to obtain the lot for you. The authorized increase will never be used except when your basic bid is exceeded.

Before you mail your bidsheet, do be sure to check it over to make certain you have bid on the correct lot(s) and that your bids are the ones you are both willing and able to pay for. Enjoy the catalog, place bids on everything you would like to buy. If time is running out and you feel your bidsheet may arrive too late to be included, you may call our office between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday, giving us the lot numbers and amount you will pay for each lot, over the telephone. Please make sure you immediately send in your bidsheet for confirmation. Also, you may FAX your bidsheet to us. As your personal agents we wish you every success.

VIEWING OF LOTS

Lots will be available for viewing by prospective bidders at our office each day, Monday through Friday, by **APPOINTMENT ONLY**, between the hours of 9:00 a.m. and 5:00 p.m., October 11, 2004 through November 9, 2004 only.

BANKNOTES OF HONG KONG PROVIDE MANY OPPORTUNITIES AND CHALLENGES

Hong Kong offers some interesting and special challenges to banknote collectors. This small area, (a British colony for more than 150 years), was one of the Empire's primary sites for trade with Asia. It should be no surprise that numerous commercial banks came into being during the mid to late 1800's, many opening branch offices in China for "convenience", and most issued, or at least considered issuing, banknotes in Hong Kong to facilitate trade.

The "Standard Catalog of World Paper Money" lists all of the notes produced for use in Hong in the "regular" or "modern" volumes; the only Hong Kong related material appearing in the "specialized" book are the notes issued by branches in China. For Hong Kong, just over 230 "Pick" numbers are listed, these for basic types, many of these having numerous listings for date, signature and other varieties. Unfortunately for those wanting to obtain a variety of Hong Kong material will quickly find that only about 80 of the listed types catalog less than \$500 in Very Fine condition for the least expensive varieties.

I will not pretend to be well versed on Hong Kong material but wish to run through the listings of note-issuing banks and briefly outline the material listed: in many cases only Proof notes are indicated and I have no idea if the banks ever got beyond the planning stage to issue notes or if all issued notes had been redeemed and only Proofs might still exist. Proceeding in alphabetical order, the Agra & United Service Bank, Limited, has listings for 1862 100, 200, 300 and 500 Dollars Proofs, all noted as "Rare"; the Asiatic Banking Corporation follows with listings of 18 10, 50, 100 & 500 Dollars Proofs, also listed as "Rare", followed by the Bank of Hindustan, China & Japan which opened in 1863 and closed in 1865, for which an 18 1000 Dollars Remainder is listed ("Rare").

The Chartered Bank of India, Australia & China, Hong Kong Branch, issued 39 different note types of 5, 10, 25, 50, 100 and 500 Dollars between 1865 and 1982; the 19th Century issues are all noted as "Rare" or have valuations of 5 digits; issues from 1900 to 1930 run from \$350 upwards in Good condition. This bank had 4 branch offices in China, issuing notes from 1900 to 1930. It became the Chartered Bank in 1956, issuing 20 different note types under this name until 1982 when it became the Standard Chartered Bank; under this name, 10, 20, 50, 100, 500 and 1,000 Dollars dated 1985 to 1992 were released, followed by differently styled notes of the same denominations issued from 1993 to 2002, with a newly designed 1000 Dollars in 2000 and 2002.

The Hong Kong Branch of the Chartered Mercantile Bank of India, London & China has Proofs listed for an 1858 series of 5, 10, 25, 50 and 100 Dollars and a comparable issue from 1873 to 1890; none of these listings have valuations noted; this bank had 2 branches in China that issued notes denominated in Dollars and Taels - no valuations are noted for these. The name of this bank became the Mercantile Bank of India, Limited, in 1912, issuing series of notes ranging from 5 through 500 Dollars between 1912 and 1948, 7 types with many varieties, and from 1958, under the name of the Mercantile Bank, Limited, 4 note types with varieties were issued until 1973.

The Hong Kong and Shanghai Banking Company, Limited, has a single series of notes listed, 1865 5-500 Dollars Proofs, with high valuations or "Rare"; the name of the Bank became the Hong Kong & Shanghai Banking Corporation in the late 1860's, with the Hong Kong branch producing over 100 different banknote types with many varieties from 1872 to 1991; the bank had 4 branch offices in China between the 1880's and 1920's with over 70 different types noted in the Specialized catalog. The title of the bank became the Hong Kong & Shanghai Banking Corporation Limited in 1992/3, issuing varied dated 20, 50, 100, 500 and 1000 Dollars from 1993 through 1999 and a new type 1000 Dollars dated 2000 and 2002. The Mercantile Bank Limited, formerly the Mercantile Bank of India Limited but a part of the Hong Kong & Shanghai Banking Corporation, issued 2 types of 100 Dollar notes, one from 1964 to 1973, the other in 1974; the bank was sold and re-sold again and no more notes were issued.

The National Bank of China, Limited, Hong Kong Branch produced a series of 5, 10, 50, 100 and 500 Dollars in the 1890's, the only listed note is an 1894 5 Dollars valued at \$9,000 in Fine, other varieties of the 5 Dollars and the other denominations are evidently only known as Reminders. The National Bank had a branch office in Shanghai but no notes were issued there. The last of the early or chartered commercial banks covered in this article is the Oriental Bank Corporation, formed in about 1845, becoming The Oriental Bank Corporation in the early 1860's with a series of 5, 50 and 100 Dollars 18-- Specimens listed for the Victoria, Hong Kong Branch, all unpriced in the Standard Catalog. By 1866, the branch name had become Hong Kong Branch and a series of 5, 25, 50 and 100 Dollars notes were proposed; the only known issued notes were the 5 Dollars (also issued in 1879 - valued in Good at \$3,000 and as "Rare"), the other denominations with varied dates were/are either Proofs or Specimens, all noted as "Rare".

The Government of Hong Kong did not issue paper money until a 1 Dollar was released in 1935 and one of the same type but different color in 1936, with 1, 5 and 10 Cents and 1 Dollar issues in 1940-1. An emergency 1 Dollar issue appeared in December of 1941, this being a Bank of China five Yuan overprinted "HONG KONG/GOVERNMENT/\$1"; these circulated for less than 2 weeks, ending with the surrender of Hong Kong to Japan. In 1945, a second emergency issue of 1, 5 and 10 Dollars was prepared by overprinting a Japanese 1000 Yen (Dollar) and Central Reserve Bank of China 1000 Yuan (5 Dollars) and 5000 Yuan (10 Dollars) with the written denomination above "\$", "\$5" or "\$10" and "HONG KONG GOVERNMENT"; these were evidently not officially released. Later in 1945 1, 5 and 10 Cents notes appeared, followed in 1949 and 1952 with Dollar bills; similar Dollars portraying Elizabeth II were issued between 1952 and 1959. The last note issued by the Government was a 1000 Dollars dated 2002.

The last paper money issuer of Hong Kong to be discussed is the Bank of China/ Hong Kong Special Administrative Region which, between 1994 and 2000, issued 20, 50, 100, 500 and 1000 Dollars, followed by a new 1000 Dollars note with security features being issued in 2001.

I hope that you have found this article to be of interest, and perhaps to lure you into collecting some material from Hong Kong; it can be easy or frustrating, but enjoyable. Best wishes to you, and happy hunting!
